

DELIVERANCE OR EXILE?

Please join the Congregational Church of La Jolla, St. Peter's Episcopal Church in Del Mar, and Congregation Beth El for an interfaith evening reflecting on our faith communities' experiences of God's work among us during the COVID-19 pandemic

Tuesday, March 30, 7 p.m. on Zoom

As we celebrate Easter and Passover in our respective communities, our shared sacred stories remind us of God's acts of deliverance. From the story of the exodus to the promise of restoration out of exile spoken by the Prophet of Ezekiel, our congregations each read and interpret these texts for our holidays, and in light of the COVID-19 pandemic.

It has been a year since our three faith communities came together for worship and fellowship. For many of us, our evening together on February 28, 2020 was the last public gathering many of us attended before the first stay at home order.

We invite you to join us for an evening of community and reflection, learning, talking and being together in our hopes for deliverance and restoration as we look ahead.
